

# Masters in Genomic Medicine: Faculty Symposium

**Friday 9th September 2016**  
**10am - 4:30pm**  
**University of Manchester**

## The Symposium will include:

- \* **Updates** from key figures driving the development of genomics in England including:
  - \* Professor Sue Hill, Chief Scientific Officer for England
  - \* Professor Mark Caulfield, Chief Scientist for Genomics England
- \* **Keynote Speaker:** Professor Bill Newman, Lead of the Greater Manchester Genomic Medicine Centre
- \* **Poster Presentations**
- \* **Knowledge Sharing Sessions** - fellow genomic medicine students sharing their learning and insights

**Registration and abstract submission is available via the [symposium page](#). For more information please email [kate.evans@manchester.ac.uk](mailto:kate.evans@manchester.ac.uk)**
